

SRVC HOCKEY CAMP PLAYER DROP-OFF & PICKUP POLICY

Purpose

This policy ensures the safe arrival and departure of all participants attending SRVC Hockey Camp.

Arrival / Drop-Off

Participants should arrive no earlier than 20 minutes prior to their scheduled session unless otherwise instructed.

Parents or guardians are responsible for supervising participants until camp staff are present.

Check-In

Participants must check in with camp staff upon arrival.

Staff will confirm attendance and ensure the participant is prepared for camp activities.

Pickup

Participants must be picked up promptly at the end of each camp session.

Only authorized parents or guardians may pick up participants unless prior arrangements are made with the camp director.

Early Pickup

If a participant must leave early, parents should notify camp staff in advance.

Camp staff will release the participant only to the authorized adult.

Late Pickup

Parents or guardians who are running late should notify camp staff as soon as possible.

Repeated late pickups may result in additional supervision requirements or participation restrictions.

Participant Departure

Participants will not be permitted to leave the facility alone unless written permission from a parent or guardian has been provided.

Safety Responsibility

Camp staff will supervise participants during scheduled camp hours, but parents/guardians remain responsible for transportation and arrival/departure safety.

Emergency Situations

In the event of a facility emergency or evacuation, staff will ensure all participants are accounted for and remain supervised until released to a parent or guardian.
