

SRVC HOCKEY CAMP LOCKER ROOM & SUPERVISION POLICY

Purpose

The purpose of this policy is to ensure a safe and respectful environment for all participants while using locker rooms and other changing areas during SRVC Hockey Camp.

Locker Room Supervision

Coaches and staff will monitor locker room areas before and after camp sessions to ensure player safety and appropriate behavior.

To protect the privacy of participants:

- Staff will avoid entering locker rooms while players are changing unless necessary for safety reasons.
- If entry is required, staff will announce themselves before entering.

Mixed Age Groups

When participants of different ages are present, staff will make reasonable efforts to organize locker room use to maintain appropriate supervision and safety.

Prohibited Behavior

The following behavior is strictly prohibited:

- bullying or harassment
- hazing or initiation activities
- inappropriate language or conduct
- photographing or video recording inside locker rooms

Electronic Devices

The use of phones, cameras, or recording devices inside locker rooms or changing areas is strictly prohibited.

Reporting Concerns

Participants are encouraged to report any uncomfortable or inappropriate behavior to a coach, staff member, or camp director immediately.

Staff Conduct

All staff are expected to model respectful and professional behavior at all times.

Staff must follow all camp safety policies and may not engage in inappropriate interactions with participants.

Failure to Follow Policy

Violations of this policy may result in disciplinary action including removal from camp without refund.
